ACTUARIAL SCIENCE

FULL TIME  
**RESUME**  
BOOK  
— 2024 —

# JULIE-ANN ANDERSON

anderson\_julieann@yahoo.com ● (850) 405-9050 ● Tallahassee, FL

## Education

Florida State University, Tallahassee, FL

May 2024

*Bachelor of Science, Actuarial Science*

*Minor in Business*

## Professional Examinations

Sitting Actuarial Exam FM, Society of Actuaries

June 2024

Sitting Actuarial Exam P, Society of Actuaries

September 2024

## Work History

Conference Services, Tallahassee, FL

May 2023 – Aug 2023

*Conference Assistant*

- Utilized software to perform check-in and check-out tasks across 15 housing locations.
- Managed administrative duties: maintenance requests, incident reports, and room transfers.

Southern Scholarship Foundation, Tallahassee, FL

*SSF Ambassador*

Aug 2022 – Aug 2023

- Enhancing student life through the creation and implication of a range of events.
- Engage in, plan and host fundraising events, recruitment fairs, and community service projects such as our Annual Blood Drive.

Florida State University Card Center, Tallahassee, FL

May 2022 – Present

*Clerical Worker*

- Create new and replacement IDs for university students, staff, and faculty.
- Identify and resolve problems for individuals within the Florida State community by providing them with the proper resources.

## Voluntary Experience

Southern Scholarship Foundation – Treasurer

May 2022 – Present

- Manage approx. \$21,000 worth of housing fees, fines, and other payments for 17 residents.

Southern Scholarship Foundation – Safety Marshal

Jan 2022 – Aug 2022

- Conducted 4 planned and unplanned fire drills while maintaining all safety hazards.

## Research Experience

Undergraduate Research Opportunity Program, Tallahassee, FL

Aug 2021 – Apr 2022

- Collaborated with team members to produce various projects, primarily focusing on teenage use of social media during COVID-19. Findings were later presented at the 2022 Undergraduate Research Symposium at Florida State University.

## Certifications

➤ Casualty Actuarial Society – Student Central Independent Program

Jul 2023

➤ Microsoft Office Specialist – Excel 2019 Associate

Jul 2022

➤ Google Digital Garage – The Fundamentals of Digital Marketing

Jul 2021

➤ Vocational Training Development Institute – Event Planning Essentials

Jul 2021

## Clubs and Societies

Pi Mu Epsilon FSU – Vice President

April 2023 – Present

The French Club – Member

Jan 2022 – Present

International Association of Black Actuaries (IABA) – Member

Aug 2020 – Present

FSU Association for Women in Mathematics Student Chapter – Member

Aug 2020 – Present

# Dalton Britner

(856)-516-5501 | [dtbritner44@gmail.com](mailto:dtbritner44@gmail.com) | Swedesboro, NJ 08085

## EDUCATION

**Florida State University** *Tallahassee, FL*

Expected Graduation: Spring 2024

Bachelor of Science in Actuarial Science and Statistics

Minor in Business

Cumulative GPA: 3.931

Honors Student

## PROFESSIONAL EXAMS AND OTHER QUALIFICATIONS

Passed SOA Exam FM/CAS Exam 2

February 2023

Sitting for SOA Exam P/CAS Exam 1

November 2023

Satisfied the course requirements for VEE Economics

## COMPUTER SKILLS

- Programming: Intermediate C++, VBA, and SAS knowledge
- Software: Excel, MG-ALFA

## EXPERIENCE

**The Penn Mutual Life Insurance Company** *Remote*

May 2023 - August 2023

Summer Actuarial Intern

- Helped orchestrate the actuarial modernization process for fixed-indexed annuities resulting in a reserve total within 0.0004% (within 1100) of the output from the modeling software MG-ALFA.
- Tied excel reserve recalculation tools to MG-ALFA during the reserve testing cycle by cross-checking variables through time.
- Optimized interest rate scenario generators and improved data management by creating VBA macros.

**Trek Bicycle Corporation** *Carneys Point, NJ*

August 2020 - August 2021, May 2022 - August 2022

Warehouse Associate

- Prepared and processed orders to be shipped out for delivery in the United States and Canada.
- Provided mathematical advice about packing methods to increase efficiency.
- Maintained performance standards and proper documentation which resulted in a 100% quality score.

**Goosehead Insurance** *Swedesboro, NJ*

July 2019 - August 2019

Intern

- Discussed possible new insurance policies with former clients over the phone.
- Learned about the insurance brokerage industry and various factors that affect the prices of premiums.

## ACTIVITIES AND LEADERSHIP

**Pi Lambda Phi Fraternity**

- Academic Coordinator (2023-2024)

**Future Seminole Actuaries**

August 2021 - Present

**Florida State University Men's Club Volleyball Team**

August 2021 - Present

- President (2023-2024)
- Social Media Officer (2022-2023)

**Florida State University Women's Division I Volleyball Team**

March 2022 - Present

- Student Manager

## PROJECTS

**Rowan University Entrepreneurship Program - H2Slow** *Glassboro, NJ*

June 2020 - August 2020

- Created a group business plan for a startup that aimed to slow the spread of disease in Liberia through better handwashing.
- Demonstrated the feasibility of the business to a panel of judges and earned 2nd place out of 12 teams.

# Sam Domsch

sam.domsch@gmail.com | 512-560-6719 | New York, New York

## EDUCATION

Florida State University, Tallahassee, FL  
Bachelor of Science, **Actuarial Science**  
Minor: **Business**  
GPA: 3.78

**Expected May 2024**

## ACTUARIAL EXAMS

SOA Probability/CAS Exam 1  
SOA Financial Mathematics/CAS Exam 2  
Satisfied Course Requirements for VEE Economics, Accounting & Finance

**Passed July 2023**  
**Passed June 2022**  
**December 2022**

## PROFFESIONAL EXPERIENCE

**Florida Office of Insurance Regulation Life/Health Bureau, Tallahassee, FL** **January 2023-Present**  
Actuarial Analyst Intern

- Reviewed approximately 7 Health and Life Insurance Filings per week to confirm that insurance rates were adequate but not excessive and complied with Florida Law
- Evaluated company experience and rate manuals for compliance with Florida law
- Conducted virtual calls with noncompliant companies to communicate how to comply with Florida law
- Presented rate filing summaries to Chief Actuary on rate change filings

**City of Austin Aquatics Department, Austin, TX**

**July - August 2021**

Pool Attendant

- Provided Customer Service to pool patrons and informed them of rules to ensure patron safety
- Ensured patron safety for 20 patrons per hour per pool

## CAMPUS AND COMMUNITY INVOLVEMENT

**FSA Future Seminole Actuaries**

**September 2022 and 2023**

*Career Fair Liaison*

- Served as point of contact for companies about relevant information about FSA Career Fairs

*Mentor*

- Assisted younger FSU students in resume workshops in anticipation of FSA 2023 Career Fair
- Supported younger FSU students in FSA about exams, interviews, and classes in the major

**UROP Undergraduate Research Opportunity Program**

*Student Researcher*

**October 2021-April 2022**

- Collaborated with student researchers on a research project related to high school science teacher professional development meetings

**GIS Gamma Iota Sigma Risk Management Fraternity**

**January 2022- Present**

*Member*

- Participated in meetings and attended professional events related to insurance industry

## TECHNICAL SKILLS

- **Microsoft Office (Excel, Word, PowerPoint)**
- **C++ Intermediate**

## HONORS AND AWARDS

- Betty Anne Busbee Case Award for Actuarial Science
- President's List (2 Semesters)
- Deans's List (3 Semesters)
- Eagle Scout

**April 2023**

**October 2018**

# Andrew Dotterer

## Actuarial Exams

SOA Exam P/CAS Exam 1

Passed May 2023

SOA Exam FM/CAS Exam 2

Passed December 2022

## Education

Florida State University, Tallahassee, FL

May 2024

*Bachelor of Science in Actuarial Science, Minor in Business*

GPA: 3.92

President's List: Fall 2022, Spring 2023

Dean's List: Fall 2021, Spring 2022

## Relevant Coursework:

ACG 2021 – Introduction to Financial Accounting (VEE)

FIN 3403 – Financial Management of the Firm (VEE)

COP 3014 – Programming I

FIN 4504 – Investments (VEE)

ECO 2013 – Principles of Microeconomics (VEE)

RMI 3011 – Risk Management and Insurance

ECO 2023 – Principles of Macroeconomics (VEE)

RMI 4292 – Insurance Company Operations

ECO 4401 – Introduction to Mathematical Economics

STA 4321 – Introduction to Mathematical Statistics

## Skills

Intermediate: MS Excel, MS Word, MS PowerPoint, MS Outlook, SQL, SAS Enterprise Guide

- Currently enrolled in Technical Skills Course by The Infinite Actuary to improve proficiency in Excel, VBA, MS Access, SQL, SAS, and R

Some Knowledge: C++, French

Soft: Communication, Analytical Thinking and Problem Solving, Teamwork, Adaptive

## Campus Involvement

Vice President of Future Seminole Actuaries

- Organize and attend events such as career fairs and socials to become familiar with the actuarial profession
- Participate in workshops to develop interpersonal and professional skills
- Connect with insurance companies to learn about expected daily work life

Intramural Bowling, Intramural Flag Football, Intramural Sand Volleyball

## Experience

Farmers Insurance | Remote

June 2023 – August 2023

*Actuarial Intern – Data Analytics Team*

- Analyzed million-row datasets and found rekey errors using SQL in SAS Enterprise Guide to refine reserving data
- Utilized Excel to record notes on errors and help automate the search process
- Collaborated with a group of four interns to present on risks facing the company to management

DRD Pool Management Inc. | Cockeysville, MD

May 2019-2022 – August 2019-2022

*Head Lifeguard/Pool Operator*

- Trained first-year lifeguards in expectations and performance to reduce impact of high employee turnover
- Established connections with patrons to create an environment of trust and professionalism
- Scanned and assessed water for swimmers' conditions to ensure their health and safety

**Aidan Durity**

75 N Woodward Ave #60313 Tallahassee, FL 32313  
*Contact Info:* aidandurity@gmail.com, 770-853-2377  
*LinkedIn:* linkedin.com/in/aidan-durity-95a2651bb

**EXAMS:**

- SOA Financial Math - sat for and passed June 2021 (score 9/10)
- SOA Probability - sat for and passed May 2022 (score 7/10)

**EDUCATION:**

*Florida State University, Tallahassee, FL*

- Pursuing a B.S. in Actuarial Science, graduating May 2024, current GPA 3.925

*North Cobb Christian School, Kennesaw, GA*

- National Merit Scholar (top 1% of PSAT scorers in the class nationwide)

**QUALIFICATIONS:**

- Leadership - servant leadership team for the FSU Navigators
- Disciplined, strong work ethic

**EXPERIENCE:**

**Oliver Wyman Actuarial Consulting**, Charlotte, North Carolina

May 2023 - August 2023

*Life Consulting Intern*

*Supervisor:* Andrew Samuels

- Worked with two project teams in M&A buy-side consulting
- Tracked project fees and took notes on meetings for both projects
- Analyzed lapse experience data and created charts to compare experience and assumptions with industry benchmarks
- Created an Excel-based index of 400 client proposal presentations

**Assurant, Inc.**, Atlanta, Georgia

June 2019 - July 2019

*Unpaid Actuarial Internship*

*Supervisor:* Alana Shiraishi

- Analyzed auto insurance stats and generated monthly report spreadsheets using SAS

**Burnt Hickory Baptist Church**, Kennesaw, Georgia

June 2018 - August 2020

*Chair Team Associate*

*Supervisor:* Ryan Bloodworth

- Worked with a team of seven to nine people to set up and take down 1100 chairs each weekend
- Measured the exact layout of the chairs each week to ensure their correct alignment

ronakgocool.11@gmail.com ❖ (850) 693-4674 ❖ Marianna, FL

## EXAMS

---

Exam 1/P (Probability)

Passed July 2023

Exam 2/FM (Financial Mathematics)

Passed February 2023

## EDUCATION

---

### Florida State University

**Aug. 2020 – Dec. 2022**

*Bachelor of Science, Actuarial Science*

*Tallahassee, FL*

- 3.60/4.0 GPA
- Member of Future Seminole Actuaries, a club that provided opportunities to gain knowledge about the actuarial field through professional presentations and support for collaboration with other actuarial students.

### Chipola College

**Aug. 2019 - May 2020**

*Associates of Arts, Mathematics*

*Marianna, FL*

- 3.86/4.0 GPA
- Dean's List Fall 2019 and Spring 2020

## WORK EXPERIENCE

---

### Days Inn

**Jan. 2022 – Present**

*Desk Clerk*

*Marianna, FL*

- Manipulated original hotel customer data software into Excel to create a spreadsheet that allocated room cleaning lists to all housekeepers based on amount of cleaning needed.
- Recorded performance of room sales from the manager's changes in rates, from Excel and into MS Access, to observe trends with charts and suggest measures to adequately generate maximum profits based on historical performance.
- Provided excellent customer service, attended to every need, and solved all problems provided by customers and other staff.

## PROJECTS

---

### TIA Technical Skills Course

- Learned how to apply Excel, VBA, Access, SQL, SAS, and R in an actuarial context.
- Completed various projects demonstrating proficiency in each program and language.

### Stock Project

- Created a spreadsheet citing the prior 10 years of historical stock data of 5 stocks.
- Utilized various Excel functions such as VLOOKUP, to gather data and calculate returns, beta, alpha, standard deviation, covariance, and correlation among all 5 stocks in the portfolio.
- Employed various pivot tables and charts to illustrate the best weights needed of each stock in the portfolio to yield the greatest returns in the future.

## TECHNICAL SKILLS

---

> Excel

> Access

> R

> Word

> VBA

> SQL

> SAS

> PowerPoint

August - Present

*Florida State University, Tallahassee, FL*

- Assist professors in facilitating learning in calculus courses through group discussions and one-on-one mentoring.
- Provide support in understanding complex mathematical concepts, leading to improved student comprehension and grades.
- Collaborate with faculty to develop instructional materials and innovative teaching strategies for enhanced classroom engagement.

### **Farmer (Volunteer)**

June – August 2020

*G&L Groves Inc, Fruit Company, Homestead, FL*

- Effectively communicated and explained daily operations to newly onboarded employees.
- Ensured all employees remained focused and on task.
- Skillfully resolved interpersonal conflicts and issues between team members, promoting a positive and peaceful workplace atmosphere.

### **Front Desk Clerk (Volunteer)**

August 2018 – April 2020

*Somerset Academy South Homestead Middle/High, Homestead, FL*

- Delivered exceptional service to parents, students, and teachers, ensuring their needs and inquiries were promptly addressed.
- Interacted and liaised with representatives from different fields, fostering positive relationships and facilitating effective communication.

## Lorenzo Lindquist

---

Woodbury, Minnesota 55125 • [lorenzolindquist@gmail.com](mailto:lorenzolindquist@gmail.com) • (651) 242-6158

### Education

#### Florida State University

Tallahassee, Florida  
August 2021 - May 2024

Graduating with a double major in Statistics and Actuarial Science in May of 2024  
Cumulative GPA: 3.93

### Exams SOA/CAS

Passed SOA Exam FM (Financial Mathematics)/CAS Exam 2 in February 2022  
Passed SOA Exam P (Probability)/CAS Exam 1 in May 2022  
Awaiting results for the SOA Exam SRM sitting from September 2023

### Experience

#### Centene Corp.

Remote

#### Actuarial Services Intern

May 2023 - Current

- Constructed an Actual to Expected Model in Excel for the Texas Medicaid program in order to analyze the state actuary's rate setting and acuity assumptions
- Queried data using SQL in order to properly inspect hundreds of thousands of member months and claims data
- Validated the data with various different sources and presented the findings in front of the entire Medicaid Actuarial team at Centene

#### U.S. Soccer

Woodbury, Minnesota

#### Youth Soccer Referee

September 2017 - August 2022

- Refereed and helped manage and organize youth soccer matches
- Collaborated in teams of three in order to run games efficiently due to time constraints
- Worked over 350 games for kids ages 8 to 18

### Leadership & Activities

#### Future Seminole Actuaries

Tallahassee, Florida

#### Mathematics and Actuarial Tutor

August 2022 - Current

- Mathematics tutor for over 150 students that are in the actuarial program at Florida State University
- Spend 8 hours per week helping students prepare for multiple types of exams
- Monitor how many hours students spend and how many practice problems they attempt, in order for them to get credit for their study hours

### Projects

#### Undergraduate Research

Tallahassee, Florida  
September 2022 - Current

- The goal of this research project is to accurately simulate future soccer seasons in various leagues by looking at past data and using various machine learning techniques
- Using Python 3 code, bivariate Poisson matrices were created in order to find the probability of the final result of each match in a given season
- Monte Carlo Methods were used in order to simulate each match of a given season over 10,000 times in order to make future predictions

### Skills

**Languages:** Fluent in Italian. Took dual enrollment Spanish courses through the University of Minnesota-Twin Cities

**Microsoft Office:** Proficient in Excel

**Programming:** Beginner to Intermediate in Python 3, C++, SAS, and SQL

# RAEANNA MICHAEL

Tallahassee, FL | (630) 809-5798 | raeannamichael@gmail.com

## Education

**Florida State University**, Tallahassee, FL

Expected December 2023

*Bachelor of Science in Actuarial Science and Statistics, Honors College*

3.87 Cumulative GPA

## Actuarial Exams

Exam FM

Passed February 2022

Exam P

Passed November 2022

CAS DISC RM

Passed May 2023

## Experience

**CSAA IG (AAA Insurance)**, Glendale, AZ

May 2023 – July 2023

*Actuarial Intern*

- Contributed to loss ratio planning by calculating auto and home seasonality in 23 states and analyzing personal umbrella protection (PUP) data to analyze adequacy of current PUP loss ratio
- Updated loss development factors used for indication
- Collaborated with a cross-functional group to generate and pitch an innovative idea to improve CSAA operations and won “Most Exciting Pitch”
- Compiled rate filing data from 5 competitors in both home and auto

**National Council on Compensation Insurance (NCCI)**, Boca Raton, FL

May 2022 –

August 2022

*Actuarial Intern*

- Calculated and filed worker’s compensation rates for DC, IA, and MD for over 500 class codes in each state
- Completed severity testing to determine the sensitivity of discount ratios to analyze whether the benefits of separating severity trends for excess loss factors and discount ratios and presented findings to over 30 people on the actuarial team
- Utilized excel to complete quality control to find discrepancies in the output for Maryland and Indiana’s class codes, payroll, and loss costs

**Casualty Actuary Society Summer Program**

June 2021 –

August 2021

*Participant and Mentee*

- Demonstrated an understanding of Excel and property and casualty basics doing weekly exercises in ratemaking, data visualization, reserving, and predictive modeling

**Le Petit Jardin Café**, Nokomis, FL

May 2021 – August 2021

*Server*

**HarborChase**, Sarasota, FL

June 2019 – May 2020

*Assisted Living Wait Staff*

## Technical Skills

C++, SAS, Excel, VBA (in progress), SQL (in progress), R (in progress)

## Education

**Florida State University**, Tallahassee, FL  
**Bachelor of Science, Actuarial Science**

Spring 2024

- Cumulative GPA: 3.77
- Dean's List: Fall 2020, Fall 2021

## Professional Certification

Plans to sit the FM Exam in October

October 2023

## Work Experience

**Sliders Seaside Grill, Fernandina Beach**

*Host/Waitress*

April 2021-June 2021

- Developed customer service skills with approximately 50 people per shift
- Honed multi-tasking capabilities
- Handled cash and credit transactions accurately
- Excelled at note taking

**Chick-fil-A, Tallahassee**

*Front of House Staff*

May 2023-Present

- Mastered customer service skills with nearly a 100 guests a day
- Developed and strengthened my organizational skills by dealing with 2 or 3 customers at once
- Learned how to adapt quickly and efficiently in a fast paced environment

## Leadership Experience

**KINGS Dance Team**

*Secretary*

May 2022 - May 2023

- Drafted business proposals for fundraising
- Communicated with different organizations and businesses through email and social media
- Created flyers and social media posts for the organization

**KINGS Dance Team**

*Assistant Rehearsal Director*

May 2022 - May 2023

- Assisted with practice
- Lead practice when the Rehearsal Director is not present
- Built the shows choreography along with the Rehearsal Director

**KINGS Dance Team**

*Rehearsal Director*

May 2023 - Present

- Leads 10 women in dance practice
- Manages attendance
- Responsible for building and creating the entire performance

## Involvement

**Future Seminole Actuaries (FSA),**

*Member*

August 2022-Present

**Big Sister Little Sister (BSLS),**

*Member*

August 2022- Present

## Skills

- **Computer:** Background in Microsoft Office (Word, Powerpoint, and Excel)
- **Computer:** Passed Introduction to Computing with C++ with a B

Dean's List: 2021

**May 2024**

## EXPERIENCE

**Heathrow Country Club**, Lake Mary, FL

May 2020 – August 2022

*Lifeguard*

- Communicated effectively with patrons, providing clear instructions on water safety, rules, and regulations, and addressing questions or concerns to enhance their overall experience.
- Demonstrated adaptability by effectively managing high-stress situations and making quick decisions in a constantly changing environments.

**Southern Hill Farms**, Clermont, FL

September 2019 – May 2020

*Maintenance Worker*

- Supplied coworkers in food trucks and shops with necessities to keep the operation running smoothly.
- Assisted in managing waste disposal and recycling efforts, maintaining a clean environment.

*Kettle Corn Station Worker*

- Provided exceptional customer service by greeting patrons, taking orders, and ensuring an enjoyable experience to around 800 customers daily.
- Acted promptly to resolve any customer concerns or complaints, working to ensure customer satisfaction.

**RDV Athletic Club**, Orlando, FL

May 2019 – September 2019

*Events Worker*

- Arranging rooms and gyms for upcoming events through seating and décor.
- Interacted with event attendees in a professional and friendly manner, providing information, and ensuring a positive overall experience.

## COMMUNITY SERVICE

**PIT Crew (Peer Inclusion Team)**, Lake Brantley High School

August 2019 – May 2020

- Worked in classes that are specialized for students with disabilities and helped to organize events for said students.
- Adapted and modified learning materials and activities to accommodate different abilities, fostering an inclusive and supportive classroom environment.
- Aided in organizing an inclusive prom for students.
- Accumulated 100+ volunteer hours.

## Fabiola Risi

Tallahassee, FL | Fabiolarisi172@gmail.com | 850-228-4779

### EDUCATION

#### Florida State University | Tallahassee, Florida

Bachelor of Science in Actuarial Science, Minor in Finance

Expected Graduation December 2023

- **Relevant Courses:** *Programming C++, Actuarial Mathematics, Time Series and Forecasting (SAS), Data Concepts (SQL), (VBA), Calculus with Analytic Geometry I, II, III, Mathematical Statistics, Financial Management of the Firm, Casualty and Risk Insurance Operations, Actuarial Modeling, Security Analysis and Portfolio Management.*
- **Sitting for** Exam 2/FM December 2023

### WORK EXPERIENCE

#### Asesuisa Grupo SURA | Actuarial Analyst Intern

June 2023 – August 2023

- Led a research project on countries mortality rate and translated information from SOA's website to the Spanish language.
- Completed over 3 mathematical models with *Rstudio* to determine appropriate pricing and risk management of the company's product enhancing pricing strategies, mitigating risks, maximizing customer value, and optimizing their product portfolio.
- Assisted on creation of the company's latest product, calculations of premium rates for mortality and morbidity, and assessing likelihood of financial loss/return of different companies through latin american countries affiliated with SURA, leading to a successful product launch, improved risk management, and enhanced market positioning.

#### Ernst & Young | Actuarial Analyst Intern

June 2022 – July 2022

- Improved data accuracy through regular review and maintenance of systems using automated tools like excel *VBA* contributing to significant cost savings, increased efficiency, and improved customer satisfaction.
- Audited for over 5 client's pensions and retirement plans databases with more than 10,000 employees, and assisted in preparing the audit documentation with records of planning and performance, evidence obtained and conclusions reached contributing to risk reduction, compliance assurance, solidifying the firm's position as a trusted auditing partner for pension and retirement plan audits.

#### Andalucía SA de CV | Financial and Risk Intern

March 2021 – August 2021

- Developed analytical and account planning handling 5,000\$ weekly profit in sales using Advanced Excel programming which enabled a consistent profitability.
- Maximized sales by 25% by developing contracts with assigned stores to maintain a strong value relationship which increased the company's operational efficiency and market competitiveness.

### LEADERSHIP AND INVOLVEMENT EXPERIENCE

#### The Institutes CPCU Society | Student Member

Fall 2022– Present

- Leveraged the opportunity to build valuable connections with casualty underwriters, mentors and possible employers across the country that guided me and enhanced my understanding of various career paths.
- Attended webinars with guest speakers to discuss essential topics about underwriting, risk/insurance, actuarial and data analysis.

#### (OLA) Organization of Latino Actuaries | Associate

Spring 2022- Present

- Collaborated with OLA members to strengthen a supportive community for Latinx individuals pursuing careers in actuarial science and insurance.
- Participated in networking events, seminars and workshops organized by OLA to connect with professionals in the actuarial field and learn about industry trends.

#### Alpha Kappa Psi | Brother

Fall 2021 – Present

- Brother of the oldest and largest co-ed business fraternity focusing on Brotherhood, Community Service, Unity, Integrity, Knowledgeable, Professional Development and Growth.
- Oversaw the professional development for over 150 active members through workshops, resume building activities, recruiting events, career fair preparations, interview preparations and public speaking at seminars.

#### (FSA) Future Seminole Actuaries | Student Actuary

Fall 2021 – Present

- Network with actuaries and leaders through seminars organized by Actuarial firms, Society of Actuaries and Casualty Actuarial Society.
- Attended workshops focus on the preparation of actuarial examinations, and professional development for an actuary's job in a competitive field.

### TECHNICAL & LANGUAGE SKILLS

- Advance Excel & VBA , SQL, SAS, C++, R Programming, Native Spanish, Data Science, Predictive Modeling, Auditing

2022 – present

*Florida State University: Tallahassee, Florida*

**Bachelor of Arts degree in Economics, Minor in Actuarial Science**

2017 – 2021

*University of Florida: Gainesville, Florida*

**Relevant coursework:** Financial Mathematics, Actuarial Models, Time Series and Forecasting Methods, Data Management and Analysis with SAS, Regression Analysis with R, Business Finance, Financial Accounting, Macroeconomics, Microeconomics

## Actuary Exams

**Exam 1 / P**

**Passed**

May 2021

**Exam 2 / FM**

**Passed**

August 2021

**Exam 3F / IFM**

**Passed**

November 2022

## Licenses & Certifications

**SAS – Florida State University Academic Specialization in Programming and Data Analysis**

June 2023

- **Skills:** SAS, SQL, macro parameters, procedures, sub-queries, join operations, conditional logic, loops, tables, sorting, filtering, dates, views

**Python for Data Science, AI & Development**

June 2023

- **Skills:** Python, tables, conditional logic, sorting, loops, string patterns and ranges, filtering, tuples, dictionaries

**Databases and SQL for Data Science with Python**

May 2023

- **Skills:** SQL, tables, sub-queries, conditional logic, dates, loops, sorting, macros, views, string patterns and ranges, filtering, join operations

**Data Visualization in Excel**

May 2022

- **Skills:** pivot tables, macros, charts and graphs, conditional formatting, sparklines, hyperlinks, slicers, dashboards

**Excel Fundamentals for Data Analysis**

April 2022

- **Skills:** data cleansing, lookups, tables, formulas, sorting, filtering, cell referencing, named ranges, dates

## Work Experience

**Florida Farm Bureau – Intern**

Summer 2023

- Assist in verifying and reporting the integrity and consistency of statewide homeowner policies
- Inspect and extract cancelled and non-renewed policies to update system data and information
- Create and catalogue files for new and recent policies in the company system
- Participate in weekly meetings to collaborate with agents from various offices in the Alachua county to keep up to date with communications within the company

**LW Flooring – Volunteer**

Summer 2023

- Catalogue previous and current asset purchases, including brand, model, purchase date, and current users
- Implement Excel for better visualization, easier sharing, and more precise verification
- Research and record purchase history price of numerous original vinyls for future retail

**Private Tutor – Part Time**

2016 – 2020

- Customize instructional approaches and use creative methods to meet the needs of individual students
- Prepare lessons and assign practice problems to improve students' skills and understanding in weaker subjects
- Communicate with parents and update them on students' progress and improvements

## Leadership Experience and Student Involvement

**Performance Coordinator and Choreographer – Chinese American Student Association**

2018 – 2020

- Network with other Asian American organizations for collaborations on future shows and events
- Organize choreographer retreats to enhance leadership and choreographer unity
- Promote cultural awareness by organizing traditional and modern performance sets
- Provide mentorship and support to new and old members

## EDUCATION

\*Florida State University, Tallahassee, FL - Class of 2024

- Major: Actuarial Science (Bachelor of Science)
- FSU GPA / Cumulative GPA: 3.608/3.608
- Cumulative Hours: 122
- Relevant Coursework: Intro to Financial Accounting, Calculus II with Analytical Geometry, Principles of Microeconomics, Calculus III with Analytical Geometry, Programming I (C++), Introduction to Actuarial Mathematics, Ordinary Differential Equations, Introduction to Mathematical Statistics, Long-Term Actuarial Models, Business Communication, Spreadsheets for Business, Risk Management Insurance, Intermediate Microeconomic Theory, Short Term Actuarial Math I
- Current Relevant Coursework: Financial Investments, Intermediate Macroeconomic Theory, Applied Linear Algebra I

## ACTUARIAL EXAMS

\*Sitting for FM Exam in Future (2024)

## HONORS

\*Was on the Dean's List for Fall 2020, Spring 2021, Spring 2022, Fall 2022, Spring 2023 Semesters

\*Granted Lateral Admissions to FSU Honors College in Spring 2021

## ACTIVITIES

\*Member of Future Seminole Actuaries (FSA)

\*Joined FSU Quiz Bowl Team in Fall 2021

\*Current member of SSF (Southern Scholarship Foundation)

\*House Manager in SSF (August 2023 – Present)

- Managed 13 other residents and coordinated with the Organization's office, acting as a liaison between the house and the office.

\*Business Manager in SSF (August 2021 – December 2021, 5 months)

- Worked with a budget every week of \$475, shopping for a house of 16 people.

\*Safety Marshal in SSF (January 2022 – April 2022, 4 Months)

- Maintained the well-being of the residents in the house.

\*Treasurer in SSF (August 2022 – April 2023)

- Overlooked and managed the house budget through Wave software and Microsoft OneDrive

## Work/Internship Experience

\*Work Experience

- Worked at a daycare in my hometown starting in 2019 to current day, with me being able to work whenever I am back in Niceville.

\*Internship Experience

- Lewis & Ellis Actuarial Consulting Firm (May 2023-August 2023)
  - Worked as a virtual intern and helped examine and determine the validity of Medicare Bids by other insurance companies. Helped my supervising Actuary examine Centene prepared bids, and combed through supporting documentation, and contributed to several emails verifying data and methodology.

## ADDITIONAL SKILLS

- Mental Math
- Communication
- Certified in Microsoft Excel (Office 2019)

## ABOUT ME

I am a current Senior at Florida State University studying Actuarial Science. I have **passed Exam P/1** and **Exam FM/2**.

## EDUCATION

**AUG. 2020 – PRESENT (GRADUATING MAY 2024)**

**ENROLLED**, FLORIDA STATE UNIVERSITY

**CURRENT GPA: 3.669**

BS in Actuarial Science

- *Achievements and Involvements*: Dean's List (every semester), Future Seminole Actuaries, Honors Program, Undergraduate Research Opportunity Program (UROP)

*Relevant Coursework*

Calculus 1-3

Actuarial Models (Long-Term, LTAM)

Financial Management of the Firm

Mathematical Statistics (VEE Stat)

Intro. to Actuarial Mathematics

Introduction to Mathematical Statistics

Topics in Actuarial Mathematics (Short-Term, STAM)

Property & Casualty Insurance Products

**JUNE 2020**

**GRADUATED**, SPRUCE CREEK HIGH SCHOOL

**GPA: 4.52**

International Baccalaureate Diploma

- Relevant Coursework: Standard Level Mathematics, Higher Level Calculus, AP Statistics
- Achievements and Involvements: Honor Roll (every semester), Mu Alpha Theta

## EXPERIENCE

- **Research Assistant**, *Florida State University* **Aug.-Dec. 2020**
  - Assisted on a project regarding Homeowner's Insurance Data with 4 others to analyze the data of over 50 Florida insurance companies from 2004-2019.
  - Learned to transfer large amounts of data into analyzing software.
  - Learned the basics of data analysis and processing to obtain results.
- **Case Management and Appeals Temp**, *Florida Health Care Plans* **May-Aug. 2021**
  - Used medical records to input data for over 150 insureds and worked with a supervisor to follow up on anyone with concerning health issues.
  - Learned to efficiently pool data and enter data into programs/documents.
- **Actuarial Intern**, *Florida Health Care Plans* **May-Aug. 2023**
  - Completed a beginner-level training course in Excel VBA, Excel, SAS, and SQL.
  - Used SAS to analyze member data for large group claims and adjusted manual rate for 2024.
  - Incorporated a gym benefit for large groups using SAS/Excel to determine value of benefit.

## SKILLS

- Average typing speed of 117 WPM
- Microsoft Office Specialist – Excel 2019 Certification
