ACTUARIAL REPORTING INTERN

Growing financial services company seeks detail-oriented Actuarial Reporting Intern to be based in our Fort Myers, Florida office. Remote work option available pending management approval.

COMPANY BACKGROUND:

LTC Global's primary business is the purchase of insurance agencies and individual books of renewal commissions for an upfront cash payment (factoring) in the health & life insurance industries.

JOB DESCRIPTION:

The Actuarial Reporting Intern will provide internal support to the Quantitative department. They are responsible for developing and producing reports and analyses, with heavy emphasis on automating processes. Duties include experience and assumption analysis, pricing support, internal valuation analysis, and handling ad hoc projects. This is an excellent position for an entry level actuarial analyst with data analysis experience who is interested in quick and significant growth by being part of a concentrated quantitative team.

REQUIREMENTS:

- Completed or working towards a B.S. in Mathematics or Actuarial Science
- Desire to complete actuarial exams
- Strong Excel skills; experience with programming language or regression software is a plus (SQL, VBA, etc.)
- Must be able to communicate technical information both orally and written to both technical and non-technical individuals
- Strong quantitative and analytical skills, including an ability to solve complex problems
- Ability to effectively collaborate cross-functionally
- Ability to handle multiple projects and work independently
- Candidate must be highly motivated, intuitive and possess initiative to identify data improvements and be resourceful in solving problems
- Organized, self-motivated, energetic, and dependable
- Previous relevant experience preferred
- Minimum GPA of 3.2

TO APPLY:

Qualified candidates should either respond via e-mail to financerecruiting@ltcglobal.com and include **both** a resume and cover letter, or submit your resume and cover letter to the LTC Global booth at the FSU Job Fair.
